

PLANT HEALTH CARE SPECIALIST (PA, DE, MD, VA, TN)

Overview

At Bartlett Tree Experts, people thrive in a safety-first, entrepreneurial, promote-from-within environment. You can go as far as your talent and hard work will take you. You can free yourself from the conventions of an office setting and work alongside some of the brightest scientific minds in the industry. Join us and realize your most ambitious goals as you grow right along with us.

We are seeking entry-level Plant Health Care Specialists who have a passion for preserving and caring for trees. To apply for this position please visit the [Bartlett Tree Experts Careers website](#).

Qualifications

- Degree in Arboriculture, Forestry, Horticulture, Plant Science, Landscape Management, or a related field OR prior experience working in the tree care industry
- Ability to perform strenuous manual labor and work in all weather conditions and seasons
- Commercial Pesticide Applicator License or ability to attain license
- Valid driver's license and clean MVR

Responsibilities

- Learn and perform all functions of the integrated pest management program, including administration, scheduling, inspections, sampling, treatments, inventories, equipment maintenance, record keeping, report writing, and customer relations
- Monitor, diagnose, and treat insect, disease, and cultural conditions of trees and shrubs
- Effectively operate, calibrate, and maintain equipment
- Work as a member of a tree crew, under the Crew Leader's supervision during the off-season

Bartlett Tree Experts was founded in 1907 by Francis A. Bartlett and is the world's leading scientific tree and shrub care company. From its 100 plus offices worldwide, Bartlett helps both residential and commercial customers maintain beautiful, healthy trees.
