ARBORIST TRAINEE INTERNSHIPS SPRING – SUMMER 2019

Apply Now! <http://bit.ly/2SkqGjf>

The Davey Tree Expert Company is looking for exceptional students who are interested in expanding their field experience in the areas of Tree Care, Plant Health Care, Sales & Client Services.

STARTING DATE: Flexible – We are currently looking for Internship candidates for Spring – Summer 2019. Internships usually start in late May/early June & run through late August/early September.

OBJECTIVES:

Learn to be a tree doctor! Introduce career orientated students to exceptional opportunities in the industry including tree care, tree climbing, chainsaw use, plant health care and customer service. Internships in each division may vary in length depending on availability. Interns will be assigned a manager who will mentor them through a variety of job experiences within the industry. Throughout your experience, you will work on residential and commercial properties and in an office setting.

QUALIFICATIONS:

- Studying Arboriculture, Urban Forestry, Horticulture, Landscape Design, Forestry or related discipline
- Driver's license required. Commercial driver's license highly valuable

HOURS:

- 40-50 hours per week; Monday - Friday with some Saturdays

EXPERIENCE WE OFFER:

- Over 100 years of service gives you job security
- National reputation for Stewardship and Excellence
- Promotes ambitious, team-focused experts quickly and focuses on continuing education
- Commitment to safety: Interns will work towards completing the Career Development "C" Climber booklet

SALARY:

- Competitive & Negotiable
