

**Department of Ecosystem Science and Management  
Career Fair 2020**

**Exhibitor Invitation**

We are pleased to announce that our twelfth annual ESM Career Fair will be held Thursday, February 20, 2020 in the Forest Resources Building at Penn State University Park.

Please consider this opportunity to interact with students enrolled in programs related to forestry, wildlife, fisheries, soils, and water—ranging from associate degree students to doctoral candidates. Recent graduates are also invited to participate. In addition, we hope to have several alumni volunteers on hand at our Alumni Corner to talk with students and exhibitors.

The exhibitor registration fee is \$45. This fee helps us cover the costs of food, parking passes, and table/chair rentals. Our department also contributes financial support. We do not profit from this event, which is undertaken as a service for our students.

The fee includes one parking pass, two lunches, and one six-foot table with two chairs. Additional lunches (\$10 each) and parking passes (\$8 each) are available.

Set up begins at 9 a.m. The Career Fair will run from 10 a.m. to 3 p.m.

**Exhibitor registration is available online at <https://www.surveymonkey.com/r/ESMCareerFair2020>.**

We will gladly assist with advertising any current positions in advance of the ESM Career Fair so that you may collect resumes and arrange to interview candidates on the day of the fair.

A few interview rooms are available on a first-come, first-served basis. You may indicate your interest in these opportunities on the registration form.

Information about our undergraduate and graduate degree programs is available on our website, <https://ecosystems.psu.edu>.

Questions? Please contact me directly (814-863-0362 or [exr2@psu.edu](mailto:exr2@psu.edu)).

I hope you can join us on February 20!

Sincerely,

Ellen Rom  
Coordinator of Undergraduate Programs and Alumni Relations
